

March 15, 2013

Longer days, warmer weather and flowers popping up everywhere. It can only mean one thing: spring is here!

There is so much to enjoy about this season, especially when it comes with good news.

We're thrilled to share that Advocate Care Services was named one of five finalists for the Wichita Metro Chamber of Commerce Small Business Awards in the tier one category. We find out April 18 if we make the next cut.

And because of our efforts to continue to reach out to you -- our customers, partners and friends -- we have been named a 2012 All Star by Constant Contact, the online service we use to create this e-newsletter. While we appreciate this designation (only 10% of Constant Contact customers earned this), we are even more interested in what you think of this newsletter. We'd love to hear your thoughts on what we could do to make this as informative and helpful as possible.

Whether you're traveling, enjoying a staycation or it's business as usual, have a wonderful spring break.
